INTERDEPARTMENTAL REFERENCE

DATE: 11/21/68

REFERRED TO: Mr. William McDonnell, Liaison Section - FBI

RE: Anti-Castro Group (IACB) recently apprehended in and deported from British Honduras
Ref: Telephone conversation 11/21 with Mr. Rockner

WRITER ☐ HAS ☐ HAS NOT BEEN INFORMED OF THIS REFERENCE

COMMENTS:
Attached proposed telegram to AmConsul, BH for your clearance - almost all info in telegram is from FBI files.

Background: GOBH security officials (British nationals) who conducted interrogations and investigation of this group have requested information on identities and background of the expedition. We would like to be as forthcoming as possible without compromising anything or anybody; also, since we would now like more details from the GOBH (para. 3 of telegram), it is a little less awkward to make the request if we simultaneously give the British Hondurans some response to their request. Is there anything here which should not be said to the GOBH (paras. 1 and 3) or on an FYI basis to our Consul (para. 2)?

If possible, I would appreciate it if you could telephone me after you have had a chance to look this over.

11/22/68 Regina Eltz, State advised no objection from Section Chief R. Wannall) Eltz advised that accuracy of content extracted by State from our material has not been checked against our files. Also advised that British Intelligence is cognizant
